2009 TEAM SPONSORSHIP PLEDGE FORM

The Stow Youth Baseball/Softball League, Inc. is an organization within Stow that offers a spring/summer recreational and instructional baseball and softball program to approximately 1200 children within the Stow and Munroe Falls communities. Approximately 250 adult volunteers support our program. This organization is a non-profit and operates solely from the children's registration fees, various fundraisers, Bingo proceeds, anonymous donations, and the sponsorship fees received from civic-minded businesses such as yours.

For your sponsorship fee, you will receive:

- Your business name on the front of baseball caps or front of softball T-shirts.
- A team picture mounted on a plaque.
- League standings, mentioning your firm's name, in the local newspaper when possible, on league schedules, and on our website (www.stowyouthbb.org).

We look forward to your sponsorship of a baseball or softball team in the upcoming spring/summer season of 2009. Thank you for your interest and support in our baseball/softball programs and more importantly, the youth of our communities.

If you have questions, please contact Carmen (Darago) Buck, daytime Monday thru Friday, at 330-535-8833, or evenings at 330-677-8026.
